

SAINT PAUL'S
MISS GITTINGS
GRADE 8
OCTOBER 1975

Greetings From 1976

Has It Really Been 30 Years?

Yes, as hard as it is to believe, it's been nearly thirty years since we walked out of Saint Paul's School for the last time. And after years of threatening to do it, the Saint Paul's School class of 1976 is finally putting on a reunion. So if you were ever a member of our class—whether you left before 1976 or not—we'd like to hear from you!

Planning is ongoing, and more details will follow, but we want to give everyone as much notice as possible on the date. So mark your calendars now:

October 6-8, 2006

Tentative plans include:

- Friday night -- Informal cocktails/social
- Saturday -- Daytime Events
- Saturday Night -- MAIN EVENT food/cocktails/music
- Sunday -- Family Barbeque

(Exact times and places will be announced as we get closer to the date and plans are finalized.)

Right now, we want to hear from you! Please visit our website to confirm we have all of your data. If not, there's a form to submit info online. Also, any leads on anyone listed as "missing" would be helpful. We especially want e-mail addresses, since that's how most of our correspondence is delivered!

Look forward to seeing you in October!
